The Wake County Continuum of Care (CoC) is charged by the U.S. Department of Housing and Urban Development (HUD) to submit a community-wide application for homeless assistance funds.

HUD has not certified the exact funding available for the FY2022 Competition at this time, however, the CoC anticipates the opportunity to apply for a minimum of \$4,186,906 (NC-507 estimated Annual Renewal Demand). Additional funding will be available for a DV Bonus that is up to 10% of the CoC's Preliminary Pro-Rata Need (PPRN), for CoC Bonus up to 5% of the Final Pro-Rata Need (FPRN) and 3% of the FPRN for the annual CoC Planning grant.

NC507 will accept project application for the following projects based on community priorities:

- Renewal, New or Expansion Permanent Supportive Housing Projects (PSH)
- Renewal, New or Expansion Rapid Re-Housing Projects (RRH)
- Renewal and Expansion Coordinated Entry Project (CE Lead Only through Reallocation or CoC Bonus)
- New Coordinated Entry Projects serving survivors of domestic violence, dating violence, sexual assault, or stalking who qualify as homeless under paragraph (4) of 24 CFR 578.3 9 (CE Lead Only)
- Renewal and Expansion HMIS Project (HMIS Lead Only through Reallocation or CoC Bonus)

Note: Projects must be ready to begin in calendar year 2023

NC507 supports prospective applicants and projects that address historic inequities for marginalized communities of color and other underserved and underrepresented communities in the CoC and produce high-quality services and housing opportunities that enable persons to remain and thrive in their communities. NC507 strives to fund eligible applicants proposing to meet this goal with a project proposal that addresses the specific needs of marginalized communities of color, created in collaboration with community partners and persons with lived experience which support NC507 plans and strategies. Successful applicants will demonstrate clear strategies that address inequities for underserved persons and marginalized communities for housing and/or support services in Wake County.
