Coordinated Access System Committee Governance

Roles & Responsibilities

- Ensuring fair and equitable distribution of services and resources.
- Regularly reviewing and overseeing the prioritization process.
- Ensuring consumers, providers, and key stakeholders are involved with the prioritization process.
- Ensuring homelessness service providers receive ongoing training and learning opportunities.
- Recommend changes/modifications to the CAS Written Standards and the policies and procedures.
- Ensuring feedback loops are created for consumers and homeless system providers. Feedback should be presented to the CoC Governance Board.
- Provide oversight of the CoC's CAS Lead to ensure compliance with HUD reporting, standards, and expectations.

Agenda

Current By-Name List Prioritization

- 1) Disability
- 2) Cumulative length of time homeless in a shelter or street outreach
- 3) Chronicity
- 4) Other programs client is enrolled in
- 5) VISPDAT

Next Steps:

- Prioritization:
 - Create survey for the membership about the current By-Name List prioritization and their rank of prioritizations based on the By-Name List criteria.
- Assessment
 - We are still actively looking into VISPDAT alternatives
